

## KATHERINE DAO, Vice Chair

Katherine Dao has resided in San Jose for most of her life. She joined Foothill Community Health Center (FCHC) as Board Chair since 2012, whose mission is improve the health and wellbeing of residents of Santa Clara County. She obtained her Baccalaureate Degree from University of California, Berkeley.

Her current interests are volunteering, hiking, travelling, taking photographs, trying new cuisines, exploring new places, embarking on road trips, and spending time with family and friends. She enjoyed a rich career in helping her family owned-business.

Katherine's primary goal while serving on the board is to make use that Foothill Community Health Center keep a high quality outpatient clinic resource in San Jose. She is committed to working very hard for the continuous healthcare delivery for people in our community. And as a woman of Vietnamese-descent, Katherine is committed to promoting

and encouraging diversity among the patients and community.

Katherine is personally and professionally vested in the community. Her family and friends, continue to live in San Jose. She is a current patient of one of our clinics and appreciates the scope of our healthcare services.
